Plexineon Highlights

iLight Adds Sparkle To High End River Living

Lighting designer, Mitchell Kohn of Mitchell B. Kohn Architectural Lighting Consultants, working with Chicago representatives, Stone Creviston Coddington (S2C), wanted to make this building really stand out among the striking riverfront properties. Among his lighting choices,

Luxury Riverbend Condominiums in Chicago, IL

Plexineon stood out as the best option for its bright color, consistent look, high durability and low maintenance. A single line of blue Plexineon was used for a total of 1000 linear feet to give this building the effect the designer had wanted.

Trade Show Circuit for 2005

iLight's products do well in the hands of lighting designers, architects, and end users who get to see the product first hand and see it compared to other LED light sources which makes tradeshows a high priority to show off our wares.

Below is a preliminary list of national trade shows we plan to exhibit at (local shows not listed):

Light Congress 2005 – Feb. 16, 2005

Susan Larson, President & CEO, named as one of the panel members for the LEDs & New Technology Panel in NYC.

ShoWest – March 14-17, 2005

Lights, camera, action. This is one of the main theater shows in the U.S. in none-other than Las Vegas, NV.

ISA International Sign Expo – March 30 – April 2, 2005

The International Sign Association Show is one of the best shows for sign companies throughout the U.S. and Canada.

Lightfair 2005 – April 12-14

This is the place to be for lighting designers to see what's new in the lighting world. This year it's held in NYC.

LDI 2005 – Nov. 11-13

The best entertainment lighting show for all the audio and lighting needs of the entertainment world. This year's show to be held in Orlando, FL.

Larson Named New President & CEO

Susan Larson, iLight's previous Executive VP of Sales and Marketing, was elected President and CEO by iLight's Board of Directors in late December 2004. Larson joined the company in June of 2004 and has provided great value to iLight. With more than 20 years of industry experience, Larson has the skills, knowledge, and ability to help move iLight forward in the exciting world of LED lighting products. Former President, Mark Cleaver, has been elected Vice Chairman of the Board.
